## NEW VEHICLE WARRANTY CONDITION

### 1. WARRANTY VALIDITY

Kindly be informed that the new vehicle warranty of **3 years (or 36 months) from the date of vehicle's registration or 100,000 KM mileage whichever comes first** shall only be applicable if regular preventive maintenance is **STRICTLY** performed as per required intervals by any of the Company authorized service dealers nationwide (hereinafter referred to as "Authorized Service Dealers") during the above-mentioned period. The warranty terms explicitly state that it covers all parts and accessories components in this warranty booklet. Comprehensive service records should also be made available when a request is made for warranty claims.

- 1.1 The warranty hereby given in respect of the Honda vehicle as described on the vehicles and owner's identification in this Warranty & Service Booklet and **the vehicle warranty is valid only if the vehicle is new and purchased from the Company or its Authorized Service Dealers**. Such warranty is subject to the terms and conditions contained hereafter.
- 1.2 The Booklet must be retained by the owner of the vehicle and presented to the Company's Authorized Service Dealers each time a warranty service is required. Failure to do so will result in service not being carried out as provided herein and may invalidate the warranty. Please notify the Company through its Authorized Service Dealers for a replacement of the Warranty Booklet in the event of loss or damage to the Warranty Booklet. The replacement of Warranty Booklet is chargeable.
- 1.3 This warranty policy has no refundable value and cannot be transferred to another vehicle. However, the warranty may be transferred to a subsequent owner through a valid sales transaction according to the terms and conditions. The subsequent owner shall be entitled for the remaining warranty period coverage. The subsequent owner shall be deemed to be aware of the terms and conditions of this Warranty Booklet and shall be subjected to the terms and conditions contained hereafter.

## NEW VEHICLE WARRANTY CONDITION

- 1.4** The warranty hereby given in respect of the accessories is valid only if the approved accessories are new and are installed in the vehicle by the Company's authorized dealers in Malaysia. Such warranty is subject to the terms and conditions contained hereafter.
- 1.5** All faulty components/parts replaced under the warranty shall become the property of the Company.
- 1.6** The heading of each clause is only inserted for the purposes of convenience and shall not affect the construction of this Warranty Booklet.
- 1.7** The Company shall be entitled to vary, amend and modify any of the terms and conditions of this warranty policy at any time or when applicable and appropriate due to any circumstance without prior notice.
- 1.8** The application of this warranty policy is limited to vehicle(s) fully-maintained by the Company's Authorized Service Dealers within Malaysia. In the event the vehicle(s) is maintained or serviced by any other service dealers or centers outside Malaysia, the warranty or remaining warranty shall be terminated forthwith.

The Company shall have the right to determine the validity of any warranty claim at its sole and absolute discretion with notice to owners and any such decision of the Company in respect of the validity thereof shall be final, conclusive and shall not be challenged.

## NEW VEHICLE WARRANTY CONDITION

### 2. Warranty Entitlement & Exclusion

#### 2.1 Parts & Component

Subject as in herein provided, the Company warrants the vehicle to be free from defects in workmanship and material under normal use and maintenance as specified in the Required Maintenance Record contained in the Booklet and performed by the Company's Authorized Service Dealers. The Company's entire liability under the warranty policy is limited to repairing or at its option, to replacing free of charge any of the parts and components of the vehicle(s) during the vehicle(s) warranty period if upon inspection found to be defective in workmanship or material. This warranty is subject to the terms, conditions and limitations contained in this Warranty Booklet.

##### 2.1.1 WARRANTY PERIOD

The warranty hereby given in respect of the parts & components of the electric vehicle(s) shall be for the period **of 3 years (or 36 months) or 100,000 KM whichever comes first** from the date of the vehicle's registration. The following clauses **(2.1.1 until 2.1.10)** explain parts and components which are either covered (included) or not covered (excluded) under this warranty policy:

##### 2.1.2 ELECTRICAL SYSTEM

###### INCLUDED

Light-emitting diodes (LED), electric and electronic combination switches, horn, wiper motor, windshield, and washer reservoir, alarm system components, connectors (non-modified by after-market installation), cruise control components, power door actuators and switches, sunroof motor and wiring, window regulator assemblies and motor, power window switches and wiring, side view mirror motors and wiring, air bag sensors, air bags, SRS unit, seat motors and heating elements and relays, headlight, fog light, taillight/licence light, interior light, navigation unit, GNSS antenna, rear view/radar camera, meter and centre display, smart unit, and speaker.

###### EXCLUDED

Fuses, all lamp bulbs and wiper blades.

**Note: Any damage resulting from defective "wiring harness" or modification (prior to the failure of the control unit) mishandling of the unit (s) is not covered by the warranty**

## NEW VEHICLE WARRANTY CONDITION

### 2.1.3 POWERTRAIN SYSTEM

#### **INCLUDED**

Insulator assembly, front drive shaft or half shaft, pedal accelerator, boot (subject to leaking) and clamps.

#### **EXCLUDED**

Filters, bushing and mount subject to wear.

### 2.1.4 COOLING SYSTEM

#### **INCLUDED**

Shroud comp, cooling fan, and motor.

#### **EXCLUDED**

Clamps, clips, bracket, and coolant (unless replacement of any covered part above).

### 2.1.5 FRONT AND REAR SUSPENSION

#### **INCLUDED**

Front and rear absorber, coil spring, control arms (upper and lower), rear axle assembly, stabilizer bar, wheel hub assembly, front knuckle, stabilizer links and holder, bearing hub and suspension subframe.

#### **EXCLUDED**

Grommet and all bushing subject to wear and noises related to parts functionality.

## NEW VEHICLE WARRANTY CONDITION

### 2.1.6 BRAKE SYSTEM

#### **INCLUDED**

VSA modulator assembly, tandem motor cylinder component, front and rear brake callipers, pedal feel simulator system, brake fluid reservoir, brake sensors, brake actuator and brake modulator.

#### **EXCLUDED**

Brake pads, brake shoes, brake disc, brake drums, wheel cylinders, callipers seals.

### 2.1.7 STEERING SYSTEM

#### **INCLUDED**

Steering wheel assembly, steering column, EPS motor, steering rack, steering gearbox assembly, steering sensor, steering control module (ECU) and steering switch assembly.

#### **EXCLUDED**

Clips, tie rod assembly, grommet, and spacer.

### 2.1.8 AIR-CONDITIONER

#### **INCLUDED**

Air-conditioner compressor, condenser (excluded if caused by external factors), evaporator/cooling coil, valves, blower motor, air-conditioner switches and sensors, relays, heater control units and assembly, heater control cables and valves heater core, ambient and sun sensor, distribution ducts and outlets, air-conditioner control unit, air-conditioner wiring, and interior sensor.

#### **EXCLUDED**

All clamps, receiver dryer, oil, refrigerant, air-conditioner filters, and cabin filter.

## NEW VEHICLE WARRANTY CONDITION

### 2.1.9 BODY INTERIOR AND BODY EXTERIOR

#### **INCLUDED**

Front and rear seat (subject to noise only), stay assembly tailgate (subject to leaking only), bonnet release mechanism, glove compartment latch/lock, petrol lid release mechanism, boot or tailgate release mechanism and tailgate lock.

#### **EXCLUDED**

Door handles, all cables and any damage caused by forced entry.

### 2.1.10 CASINGS

#### **INCLUDED**

Damage caused to casing and other mechanical and electrical parts as a direct result of the failure of a covered compartment. PROVIDED THAT all major mechanical and electrical components that are warranted shall only be replaced wholly if repair and replacement of internal parts of the component is not possible or exceed the total cost of the whole component.

#### **EXCLUDED**

Torn, scratches , wear, stone chip and damage by environment or chemical solvent.

## NEW VEHICLE WARRANTY CONDITION

### 2.2 Accessories

#### 2.2.1 Standard Accessories

All accessories fitted to the electric vehicle by the manufacturer are deemed to be standard accessories for which the warranty period shall be **3 years (or 36 months) or 100,000 KM which ever come first from date of registration.**

#### 2.2.2 Optional Accessories

Accessories warranties are subjected to Honda authorized supplier's terms and condition. Please refer to any nearby Honda Authorized Dealer for warranty information.

*Note:*

- 1. The warranty for all the abovementioned parts/components is only against manufacturing defects and not for defects due to external factors.*
- 2. The abovementioned warranty is only applicable for parts/components contained in the vehicles as the parts/components in each vehicle may vary according to the model specification.*

## NEW VEHICLE WARRANTY CONDITION

### 2.3 SPECIAL ELECTRIC VEHICLE SYSTEM

The special electric vehicle system covers the IPU system, an essential component in hybrid and electric vehicle systems, managing the flow of electrical energy between the high-voltage battery, electric motor, and cooling system.

#### 2.3.1 Warranty Validity

The warranty hereby given in respect of the parts & components of the electric vehicle(s) shall be for the period of **8 years (or 96 months) or 160,000 KM whichever comes first from the date of the vehicle's registration**. The following clauses (2.3.1.1 until 2.3.1.3) explain parts and components which are either covered (included) or not covered (excluded) under this special electric vehicle system:

##### 2.3.1.1 IPU Electrical Components

#### INCLUDED

Unit assembly BCM and IMG, sensor assembly (battery), relay assembly ECU, DU assembly, position sensor, park lock actuator, ECU MG, unit assembly PLC, sensor assembly TW, charger component battery, cables (charger, IPU, DU DC, wire harness, power supply and three phase CS2), unit assembly power supply detector, lamp assembly (charge lid and indicator), battery pack assembly and switch lock release.

#### EXCLUDED

1. The warranty for all the abovementioned parts/component not for defects due to external or only against manufacturing.
2. Any damage resulting from defective "wiring harness" or modification (prior to the failure of the control unit) mishandling of the unit (s) is not covered by the warranty

##### 2.3.1.2 IPU Cooling System

#### INCLUDED

Radiator, tank component expansion, water pump, valves, hoses, joints, and pipes.

#### EXCLUDED

Torn, stone chip, scratch, damage by environment and coolant (unless replacement of any covered part above).

## NEW VEHICLE WARRANTY CONDITION

### 2.3.1.3 PCU Cooling System

#### **INCLUDED**

Radiator, tank component expansion, water pump, valves, hoses, joints, and pipes.

#### **EXCLUDED**

Torn, stone chip, scratch, damage by environment and coolant (unless replacement of any covered part above).

## NEW VEHICLE WARRANTY CONDITION

### 3. BATTERY WARRANTY LIMITATION

#### 3.1 12V Battery

3.1.1 Warranty coverage for 12V battery is **12 months from the date of registration or 20,000 km, depending on whichever comes first**. This warranty is only applicable if regular preventive maintenance is performed as required intervals by the Company's Authorized Service Dealers during the abovementioned period/mileage.

#### 3.3 Battery Electric Vehicle (BEV)\*

3.3.1 Warranty coverage for BEV battery only is **8 years or 160,000 KM whichever comes first from the date of the vehicle's registration**. This warranty is only applicable if regular preventive maintenance is performed at required intervals by the Company's authorized service dealers during the abovementioned period.

**\*Note: BEV battery warranty limitation applied with electric vehicle model only**

## NEW VEHICLE WARRANTY CONDITION

### 4. FURTHER WARRANTY EXCLUSION

Besides all parts, components, and accessories specifically mentioned in this Warranty Booklet, any other part, component, or accessories that is NOT specifically included in this Warranty Booklet **shall be deemed excluded** from the warranty clause, of 3 years (or 36 months) or 100,000 KM whichever comes first from the date of the vehicle's registration. The following conditions are further warranty exclusions under this warranty booklet.

#### 4.1 Paintwork of Vehicle

**4.1.1** Paintwork damage(s) caused by adverse climatic condition such as contamination of high acidic rainfalls, windstorm, sandstorm, hail, lightning, earthquake and floods and foreign particles fallouts, rotten leaves, bird droppings and/or any other foreign particles which is destructive to paintwork.

**4.1.2** Paintwork damage(s) caused by external impact resulting in paintwork scratches, chips and dents which occur after the new vehicle is taken delivery from our delivery centre(s) or damage caused by events beyond the Company's control such as fire, act of war, terrorism, civil unrest, sabotage, vandalism, acts of God, riots and military attacks and any other such events.

*Note: It is important to take care of the paintwork condition regularly by observing and exercising certain precautions to maintain the paintwork in its original condition.*

#### 4.2 Damage to Body / Interior / Exterior of Vehicle

**4.2.1** Any damage which results from traffic accidents, misuse or use beyond the limitations of the vehicle such as overloading or use under abnormal conditions.

**4.2.2** Any damage and/or loss which results from theft.

## NEW VEHICLE WARRANTY CONDITION

**4.2.3** Fading of painted surfaces, deterioration of plated surfaces, rubber and plastic and rust formation.

**4.2.4** Damage or surface corrosion from environment.

**4.2.5** Surface / body damage from environment such as acid rain, airborne fallout (chemicals, tree sap, etc.), stone, salt, road hazards, hail, windstorm, lightning, floods and other acts of God.

**4.2.6** Damage caused by chemical solvents.

### 4.3 Damage to Wheels/Tyres/Rims

**4.3.1** Any damage, scratches and/or surface peeling, crack to the tyres or wheels or rims due to contact with sharp objects, hazardous road conditions, curbs or any other external/foreign objects.

**4.3.2** All warranties for tyres are subject to the respective tyre manufacturer's warranty.

**4.3.3** Any damage from improper inflation, alignment, improper mounting or dismounting.

### 4.4 Damage to Windscreens/Windows/Mirrors

**4.4.1** Any damage arising from any self-shattering due to scratches and/or crack on the front and rear windscreen, windows, mirrors caused by foreign object such as stones and pebbles which are picked up along the road.

**4.4.2** Any damage and/or scratches and/or crack on the front and rear windscreen, side windows, sunroof windows, mirrors caused by foreign object such as stones and pebbles which are picked up along the road.

*Note: For your vehicle windscreen protection, you are advised to purchase a separate insurance coverage.*

## NEW VEHICLE WARRANTY CONDITION

### **4.5 Damage due to Lack of Maintenance or Use of Non-Genuine Parts**

- 4.5.1** Any damage to the vehicle arising from the lack of maintenance or the use of wrong fuel, oil or lubricants (engine oil) or fluid (brake fluid, transmission fluid, power steering fluid, clutch fluid, coolant).
- 4.5.2** Any damage which from use of non-genuine parts or use of fuel, lubricant or fluid not recommended in the Owner's Manual in respect of the vehicle.
- 4.5.3** Any damage arising from non-observance of the Company's recommended preventive maintenance service requirements contained in the Owner's Manual.

### **4.6 Damage due to Alterations or Use of Non-Genuine Parts/Accessories**

- 4.6.1** Any damage resulting from any alteration / modification made to the vehicle which may influence the function and / or performance of the vehicle.
- 4.6.2** Any damage caused by or resulting from the vehicle being equipped with non-genuine parts & components not approved by the Company in writing.
- 4.6.3** Any damage caused by or resulting from the vehicle being equipped with accessories not approved by the Company in writing.
- 4.6.4** Any damage caused by user negligence or abnormal and abusive usage or external force or vehicle involved in an accident.

## NEW VEHICLE WARRANTY CONDITION

**4.6.5** Any rust formation on vehicle body resulted from cutting of body panel for accommodating non-genuine installation of car audio-speakers, car alarm system, car phone and etcetera.

**4.6.6** Any additional fixing or modification of electrical wires for installation of non-genuine accessories. This is in view of any unstable surge of current that will damage electronic circuits and features adopted in the vehicle.

### 4.7 Maintenance Costs

**4.7.1** Normal maintenance services such as cleaning and polishing, lubrication, replenishment or replacement of oil, fluid, coolant, replacement of worn wiper blades, drive belts, fuses, filters, brake pads, brake and clutch linings, spark plugs, tyres, bulbs, hoses, rubber parts, upholstery, bolts and nuts, gasket, air-conditioner gas, air-conditioner filter and fuses, etc.

**4.7.2** Periodic maintenance service should be performed according to the preventive maintenance service schedule.

**4.7.3** Any damage/noise caused by wear and tear parts.

### 4.8 Consequential Losses

**4.8.1** Compensation for time loss, commercial losses, finance charges, hire-purchase payment, rental cost of a substitute vehicle arising from breakdown of or repair to the vehicle, costs of hospitalization, loss of belongings and legal expenses.

**4.8.2** Any expenses incurred as because of breakdown of the vehicle including expenses for towing, communications, hotel and meals.

**4.8.3** Any other consequential losses not specifically listed in above clauses.

## NEW VEHICLE WARRANTY CONDITION

### 4.9 12V Battery & \* BEV Battery

- 4.9.1 Any damage caused by misuse, negligence, accidental damage, improper usage and inadequate maintenance.
- 4.9.2 Vehicles used for competition, racing or record attempts, equipped with performance-enhancing components/parts.
- 4.9.3 Deterioration battery due to normal use and exposure unless due to defect on workmanship or material.
- 4.9.4 Battery malfunctions due to undercharging or overcharging by vehicle charging system.
- 4.9.5 Failure to comply with the required maintenance guidelines as per the owner's manual.

**Note:**

1. \* BEV Battery terms and condition applied to electric vehicle model only.

## NEW VEHICLE WARRANTY CONDITION

### 5. WARRANTY TERMINATION

#### 5.1 Vehicle

The warranty in respect of the vehicle shall be immediately terminated and cease to be applicable upon the happening of any of the following events:

- 5.1.1 If the vehicle shall be used for racing, rally, any track related activities or any performance competition.
- 5.1.2 If the vehicle shall be used as a taxi or rental unit.
- 5.1.3 If the vehicle shall be repaired/adjusted/serviced/transported by any person or company other than the Company or its authorized dealers.
- 5.1.4 If any non-genuine products/parts are installed/performed to the vehicle by any person or company other than the Company or its authorized dealers.
- 5.1.5 If the odometer of the vehicle shall be adjusted or replaced by any person or company other than the Company or its authorized dealers.
- 5.1.6 If for any reason whatsoever the actual vehicle chassis number, engine number or gearbox number cannot be determined by the Company.
- 5.1.7 If any auto accessory (including air-conditioner) not approved in writing by the Company is fixed or fitted to the vehicle.

## NEW VEHICLE WARRANTY CONDITION

### 5.2 Accessories

Warranty in respect of the standard recommended & optional accessories

- 5.2.1 We hereby warrant only approved accessories installed by the Company and Authorized Service Dealers to be free from defect on workmanship and material anti-normal care and use.
- 5.2.2 This vehicle is equipped with a comprehensive range of accessories offered and installed by the Company and Authorized Service Dealers.
- 5.2.3 Since these accessories are custom-made to conform to our vehicle specifications, they are to be installed by trained technicians, to avoid any unnecessary problems attributed to improper accessories installation.

## NEW VEHICLE WARRANTY CONDITION

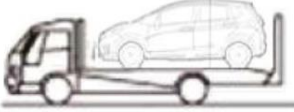

### 6. SPARE PARTS WARRANTY

Any spare part purchased and replaced at Authorized Service Dealers **AFTER** new vehicle warranty expires will be entitled to a warranty of **6 months** from the date of purchase, or **10,000 km** depending on whichever comes first, against material defect and/or workmanship. However, the following guideline is to be strictly adhered to:

- 6.1 Parts which have been replaced under the parts and components warranty is excluded from spare parts warranty.
- 6.2 If you encounter any problem(s) with the replaced spare part which can be directly attributed to material defect and/or workmanship, kindly arrange for inspection and/or replacement at the same authorized service centre.
- 6.3 Proof of purchase and replacement record of parts from any of the respective Authorized Service Dealers should be produced if warranty replacement is requested during the warranty period/mileage.
- 6.4 Regular preventive maintenance as per required intervals should be duly performed by any Authorized Service Dealers during the 12 months, or 20,000 km mileage, depending on whichever comes first.
- 6.5 Wear and tear parts are not covered in spare parts warranty. The warranty excludes spare parts such as spark plug, air filter, fuel filter, oil filter, clutch lining, brake lining, brake pad, brake disc, wiper blades, bulbs and fuses.
- 6.6 Spare parts warranty for 12V battery is 12 months or 20,000 km depending on whichever comes first starting from the date of installation.
- 6.7 Spare parts warranty for accessories are as stated in article 2.2.

## HOW TO TOW YOUR VEHICLE

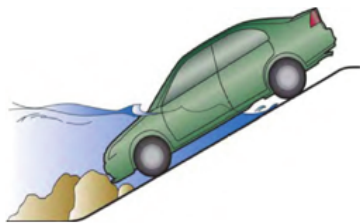

Correct towing procedure is required to minimize secondary damage to the vehicle. Thus, you must follow below guideline for towing procedure.

Towing Method	Shift Position	Conditions And Points To Note
Towing with a rope 	<b>Not Allowed</b>	Towing with the Electric Servo Brakes (ESB) and EPS systems off is very dangerous, NEVER tow in this condition.
Towing with the front wheels lifted 	[N] Position 	<ol style="list-style-type: none"> <li>1. Go into Neutral [N] hold position*.</li> <li>2. Disconnect the 12V battery negative(-) terminal</li> <li>3. Start towing</li> </ol> * Please check the [N] hold mode page in this document.
Towing with a trekker 	[N] Position 	<ol style="list-style-type: none"> <li>1. Go into Neutral [N] hold position*.</li> <li>2. Disconnect the 12V battery negative(-) terminal</li> <li>3. Start towing</li> </ol> * Please check the [N] hold mode page in this document.
Towing with 4 wheels off the ground 	[P] Position 	Vehicle must be secured and parking brake must be applied so that it does not dive off.

Note: The shift position may vary with the model of electric vehicle. Please refer to owner's manual for the details.

## EMERGENCY RESPONSE GUIDE

High voltage circuit is used in the hybrid system. In an event of an accident or the vehicle submerged under water, the high voltage circuit will need to be cut off.

Situation	Method
<p>Vehicle on fire</p> 	<p>a) Extinguish with ABC fire extinguisher (work on both oil and electric fires)</p> <p>b) Please contact Malaysian Emergency Response Services (MERS) 999 for assistance</p>
<p>Vehicle submerged under water</p> 	<p>a) Turn the power switch OFF</p> <p>b) Remove the circuit</p>

*\* ONLY authorized and skilled person are allowed to handle this High Voltage system circuit. DON'T handle this High Voltage circuit without improper training and knowledge. SAFETY PRECAUTION IS COMPULSORY when handling on high voltage system.*

## NOTIFICATION FOR CHANGE OF ADDRESS AND SUBSEQUENT OWNERSHIP

### CHANGE OF ADDRESS

If your postal address has changed, please complete the form provided on the next page. Once complete the form, please refer to the nearest Honda Authorized Dealers (refer page 31-33) **Or** call Honda Hotline at 1800-88-2020 **Or** refer to Honda website at <https://www.honda.com.my> to get further info and assistance.

### CHANGE OF VEHICLE OWNERSHIP

If you become a subsequent owner of a Honda vehicle/before the original warranty period expires, please complete the form on the next page. Once complete the form, please refer to the nearest **Authorized Service Dealers** (refer this warranty booklet on page 31-33) **Or** call Honda Hotline at 1800-88-2020 **Or** refer to Honda website at <https://www.honda.com.my> to get further info and assistance. This will help our Honda Authorized Dealers to facilitate the remaining portion of the warranty for your Honda.

*NOTE: The above information will enable us to contact you easily, should a correction of our product be deemed necessary.*
