Ensuring that our customers enjoy their ownership experience is crucial to what we do. In fact, it is an essential but challenging part of our business. To live up to our brand promise of providing good products with speed, affordability and low CO<sub>2</sub> emissions, we continuously strive to build strong partnerships with our employees, suppliers and dealerships. We do this to maintain high levels of quality. Only by working together can we uphold our brand image and become a trusted automotive brand in Malaysia.

To meet our customers' expectations, we do our best to provide reliable service at all Honda Authorised Dealers. Our first class training prepares our personnel to be meticulous in repairing and maintaining a Honda vehicle. They are not only well-trained in using Honda's advanced equipment and genuine parts but are qualified experts in Honda's sophisticated engineering.

In preparation for the launch of the All-New Civic, we have equipped our team with extensive training on its cutting-edge technology, such as the Smart Monitoring System and Remote Engine Start among others. We also have a comprehensive system in place to make your experience of owning the All-New Civic a rewarding one. You can find out what the car offers inside this issue of With Dreams.

## We are currently conducting major Recall or Product Updates for Airbag Inflators, which is a precautionary initiative to ensure customers' safety.

At Honda, your safety is our priority and as such, we are very vigilant about how our cars perform on the road. We urge all owners to be consistent with their service maintenance schedule to achieve optimal handling and performance. We are currently conducting major Recall or Product Updates for Airbag Inflators, which is a precautionary initiative to ensure customers' safety. To check if your Honda requires an update, please refer to the necessary steps highlighted in the following pages.

Finally, we have recently optimised our services with innovative technologies to improve our efficiency. We remain committed to deliver products and services of the highest quality and we hope you will notice the enhancements throughout your journey with us.

# ALL-NEW CIVIC

## RIDE ON INTELLIGENCE YOU CAN OWN

The new driving experience begins with the **Remote Engine Start** that allows you to ignite the engine up to 10 metres away with a simple push of two buttons. It also ensures your Civic is comfortably cool even before you step inside. Once inside, you will feel welcomed by the sight of the **Meter Link**, a digital dashboard that shows information from the **Call Function**, **Music Display** and **Turbo View**. It also comes with **Smart Monitoring Function** that provide an indication of mileage for next oil change.

Other smart features that will leave you gaping with adoration are the **Electric Parking Brake** and **Auto Brake Hold**, which keep your car stationary with the pull of a button. While you are getting used to the features, you may want to check out the **Auto Dim Rearview Mirror** that is equipped with sensors to detect headlight glares.

## RIDE ON MAXIMUM POWER WITH MINIMUM EFFORT

While a smooth driving experience is what a Civic is capable of delivering all throughout its nine generations, you will have to decide what engine should go under the hood of your Civic. Is it the brand new **1.5L VTEC Turbocharged Engine** with 173PS and 220Nm of torque, said to be equivalent to a 2.4L engine's performance? Or will it be the **1.8L i-VTEC fuel-injected inline-4 engine**? We recommend a test drive at your nearest Honda Authorised Dealer.

To help you get the best fuel mileage, you can push the **ECON Button** and the car will automatically adjust several systems to save fuel for you. Your driving style and its impact on the car's fuel consumption will be displayed via the **Eco Assist**. This helps you to develop and maintain the most fuel-efficient driving pattern.

# Ride the Dream.

## The edgy styling of the All-New Civic beautifully wraps up the innovation that comes to life inside.

The 10th Generation Civic, Honda believes, is the best Civic ever made. After 43 years in production, the All-New Civic has been completely reimagined with a full range of advanced technologies. Beyond looking like a sharp character with its longer hood, sportier trimmings, and **LED Daytime Running Lights and LED Headlights**, it has a steady elegance that will win you over, thanks to a combination of improved rigidity and new engine. If effortless power is all you desire, it is time to unlock the ways the All-New Civic can help you ride the dream.

### RIDE ON LIFE'S LITTLE LUXURIES

8-Way Driver Power Seat

Smart Device Station

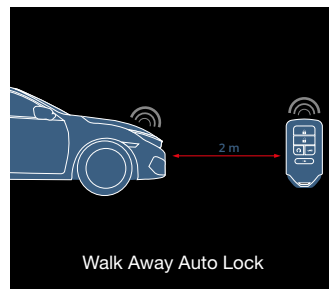

Now, you may not think you need it but the **8-Way Driver Power Seat** helps to fine tune your best seating position for a driving experience that is tailored to you. Once you are seated inside, the Civic's new cockpit-like cabin will please your senses on all levels. The daring interior styling not only adds more character to your drive, you will also enjoy the advanced features, especially the familiar accessibility of your smartphone on the Display Audio System via the **Smart Connectivity**.

If you are a little obsessive about storage details, you will be thrilled to know that there is a nifty **Smart Device Station** to keep your electronic devices and cable tucked away, and a concealed storage compartment to hide random but essential items out of sight. Your passengers will also enjoy the large cabin space all around.

### RIDE ON SURELY BUT SAFELY

6 Airbags

Walk Away Auto Lock

There is nothing more important than keeping you safe with every drive while you chase your dreams. To ensure complete protection for everyone, all variants are equipped with **6 Airbags, Anti-Lock Braking System (ABS), Vehicle Stability Assist (VSA), Electronic Brake Distribution (EBD), Brake Assist (BA), Hill Start Assist (HSA), Emergency Stop Signal (ESS)** and **ISOFIX** points for a child's car seat. And just in case you forget to lock your car, the innovative **Walk Away Auto Lock** will detect the smart key as you walk away and automatically lock your car after 30 seconds or a distance of 2 metres from the car.

- Specifications may vary in detail from images shown and are subject to change without prior notice.
- Features also vary according to the different variants available.
- Actual model may vary in detail from image shown.

# CREATING A WAY OF LIFE

Discover what sparked the revolutionary design behind the 10th Generation Civic, widely dubbed as an ambitious remake.

*The 3 Design Elements of the All-New Civic*

**CHARISMATIC  
DESIGN**

**SOULFUL  
PERFORMANCE**

**COMFORTABLE  
MACHINE**

· Specifications may vary in detail from images shown and are subject to change without prior notice.  
· Features also vary according to the different variants available. · Actual model may vary in detail from image shown.

Fusing tradition and innovation, the development team of the revolutionary Civic took hints from customers' feedback, while studying the fundamental values of the Civic's legacy and Honda's next generation direction as a global company.

### **Sculpting a CHARISMATIC Personality Inside and Out**

The exterior of the car is inspired by 3 elements – a dynamic fascia that incorporates Honda's signature LED lights and reflects its brand identity; an athletic and sculptural body emphasising its dynamic, coupe-like cabin silhouette; and premium materials made to integrate and minimise every gap and line with precision.

Inside, the bold cockpit-like experience is inspired by a new concept Honda calls the "Daring ACE Design". It embodies tactile and sensorial sophistication, fun-to-use instruments and a cool personality to match.

### **Bringing the SOULFUL Performance to Life**

Honda's vision was to achieve better torque with improved fuel consumption. To bring out the best experience, the Civic is powered up by a 1.5L VTEC Turbocharged engine or a 1.8L i-VTEC engine with CVT (Continuous Variable Transmission). Every effort is made to improve suspension for better handling and enhance cabin quietness with lightweight sound proofing system.

### **Promising a COMFORTABLE Ride**

The Civic supports the driver in achieving the ultimate in connected-car experience through the Human Machine Interface, which combines intuitive functions with advanced safety performance. For the ultimate driving convenience, the Civic is built with first-in-class features like the Remote Engine Start which allow drivers to cool the car even before the driver steps in.

# Accord

## 40 Years in the Limelight

2016

NEW **Accord**  
**OPEN FOR BOOKINGS**

### A legacy of innovations driven by tastemakers

In many ways, the Accord is an iconic nameplate for Honda with a heritage that spans 40 years and a worldwide production. As a car that was designed to break into the luxury car market, the Accord grew in popularity due to its quiet, clean and sophisticated driving experience - features that are often shortchanged in luxury models at that time. In just two years after its launch, the Accord's sales soared through the roof and sealed Honda as a breakthrough newcomer.

1976

**1<sup>st</sup>** When the Accord was first introduced, it was considered **revolutionary in style, quietness and agility** with its **1600 cc CVCC engine**.

1986

**3<sup>rd</sup>** This award-winning model was refined in a stylish aero shape and fitted with a **2.0L DOHC and 1.8L DOHC engine**.

1982

**2<sup>nd</sup>** The popularity of the 4-door Accord led to enhancements like **Cruise Control** and a **4-speed fully automatic system**.

2008

8<sup>th</sup>

The most powerful Accord ever developed was one with a **V6 3.5L i-VTEC VCM engine**, the first in history.

2013

9<sup>th</sup>

The new model was primed to excite in 2.0VTi, 2.0VTi-L and 2.4VTi-L engines powered by Honda's **Earth Dreams Technology**.

2003

7<sup>th</sup>

The **high-performance DOHC i-VTEC** for midsize automobiles was offered in 2.0L and 2.4L variants, accompanied by a **5-speed automatic transmission**.

1998

6<sup>th</sup>

Performance took a step up as the Accord evolved with **VTEC, DOHC VTEC**, and **VTEC LEV engines** fitted in wagon and sedan variants.

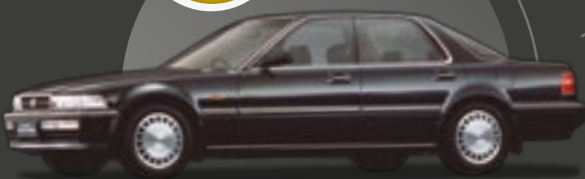

1994

5<sup>th</sup>

The advanced 2.2L VTEC was a pivotal development for the Accord, earning awards for **world-class safety** and **intelligent driving systems**.

1990

4<sup>th</sup>

The redesigned Accord with a **2200 cc SOHC engine** was tailored to local specifications in each country.

# Urgent:

## Replace Your Airbag Inflator Now

If you haven't, you put you and your loved ones at risk.

Honda Malaysia is offering a complimentary airbag inflator replacement for affected Honda models. Owners of Honda cars especially those who own **older Honda models are strongly advised** to take action immediately to **prevent unwanted danger**.

Airbag inflator replacement is **FREE of Charge**

### Get Your Chassis Number (17-digit Number)

STEP 1

Book an appointment with  
your dealer

Replace airbag inflator

Complete

No replacement required

\*Product Updates (Recall) are available at Honda Authorised Centres only, performed free of charge for your safety. We urge all affected customers to take immediate action and to share this with as many family and friends as possible so that they are aware of its urgency.

# Honda's Green Revolution

Solving climate change issues since the 60's

In the 1960's, Honda developed the game-changing CVCC engine as a solution to reduce pollution. The engine effectively reduced carbon monoxide, hydrocarbons and nitrogen oxide emissions. Since then, environmental responsibility has been an integral part in the way Honda operates globally.

## Producing At Low Impact

### Low Emission Product Lifecycle

Energy efficiency and waste management is optimised at every stage from research, design, production, sales, to service and disposal, including 3R activities (reduce, reuse, recycle).

### High Efficient Products

Innovative products like Earth Dreams Technology engines and the new 3-motor Sports Hybrid System emits less CO<sub>2</sub> while enhancing the joy of driving.

### Conservation

Natural resource consumption is minimised and biodiversity efforts have been ongoing since Honda started tree-planting and water-recycling in the 1960's.

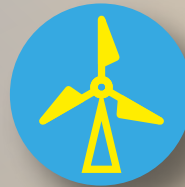

## Honda's Solar Generation

Honda develops the world's most efficient CIGS thin-film solar cells to generate energy, which are installed in manufacturing plants in Japan, UK and Turkey.

## Honda's Wind Farm

In Brazil, the Honda wind farm generates approximately 95,000 MWh of electricity per year and reduces more than 2,200 tonnes of CO<sub>2</sub> emissions annually

## Energy Renewal Management

### Honda's Fuel Cell Vehicle

Honda's ultimate eco car with zero emissions may run on fuel cell but drives like a dynamic sedan.

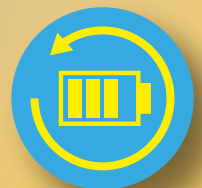

### Smart Home System

A home eco system that enables hydrogen to be transported, stored and created sustainably.

### Mobility Products

From micro-sized mobility products like MC-β to UNI-CUB, the future mobility combines gets personal, portable and rechargeable.

# The Honda Heat At My Auto Fest 2016

The Dark Ruby Red Pearl HR-V demonstrated features that suit every lifestyle.

A family's favourite, the CR-V revealed its spacious comfort.

The Jazz in Carnival Red left an impression as the hottest ride to own.

The 'My Auto Fest 2016' took place at the Mines International Exhibition and Convention Centre (MIECC) from 20 – 22 May 2016 and Honda was there to showcase a range of its latest models, such as the City, Jazz, CR-V and HR-V in its new colour, the Dark Ruby Red Pearl.

Visitors at the Honda booth also received a surprise when the technologically advanced All New Civic made an appearance ahead of its launch. The preview was officiated by Yang Berhormat Datuk Ab. Aziz Kaprawi, Deputy Minister of Transport together with Mr. Katsuto Hayashi, Managing Director and Chief Executive Officer of Honda Malaysia, and En. Roslan Abdullah, President & Chief Operating Officer of Honda Malaysia.

"Honda vehicles have always been synonymous with good value-for-money because of its high quality standards. The Auto Fest was a great platform for us to bring even more value to customers

Visitors enjoyed attractive offers but it was the All-New Civic that stole the show with its first ever public appearance.

Visitors had the opportunity to learn more about Honda technologies from our Sales Advisors.

Yang Berhormat Datuk Ab. Aziz Kaprawi, Deputy Minister of Transport, receiving a token of appreciation from Mr. Katsuto Hayashi, MD & CEO of HMSB.

Left to Right-Yang Berhormat Datuk Ab. Aziz Kaprawi, Deputy Minister of Transport; Datuk Aishah Ahmad, President of MAA & Chairman of My Auto Fest; Mr. Akkbar Danial, VP of HMSB & VP of MAA; Mr. Katsuto Hayashi, MD & CEO of HMSB; En. Roslan Abdullah, President & COO of HMSB

and provide a meaningful experience with the brand.” explained Mr. Akkbar Danial, Vice President, Group Head of Marketing and Dealer Development of Honda Malaysia.

Aside from being a fun-filled event for the family complete with lucky draws and children activities, those who booked a Honda model from the existing line-up also benefited from a promotional rebate of up to RM9,900\*. The great offers did not end there. Many were drawn to the trendy Honda merchandise display, which unveiled a brand new collection that was retailing at 10% discount and it's applicable for 3 days only.

To those who missed this opportunity, do stay tuned to future Honda promotions and road shows by visiting our website at [www.honda.com.my](http://www.honda.com.my).

*\*Only applicable for vehicles registered from 1 May 2016 – 31 May 2016*

Yang Berhormat Datuk Ab. Aziz Kaprawi at the opening ceremony of My Auto Fest 2016.

## DRIVE SAFELY

- The rate of road accidents is higher during the holidays so try to be vigilant and considerate if you are travelling during those times.
- To keep your attention on the road, turn on the Bluetooth connectivity in your car or use a hands-free headset to answer calls. Eating, drinking or grooming while driving can also be distracting.

### WHAT OUR EXPERT SAYS

"Equipping yourself with advanced driving techniques will help you become a more focused driver. Attend any of our driving courses here: [http://www.honda.com.my/microsite/eco\\_safety](http://www.honda.com.my/microsite/eco_safety)

## REPLACE WORN PARTS

- Parts that needs replacement should be done immediately to avoid further wear and tear on other car parts.

### WHAT OUR EXPERT SAYS

"Do purchase genuine Honda parts as they come with a warranty up to 6 months or 10,000km, whichever comes first. Replacing car parts at a Honda authorised dealer also ensures your safety."

## EQUIP YOUR CAR

- Every car should have a basic survival kit that includes reflective warning triangles, spare tyre and jack tools set.

### WHAT OUR EXPERT SAYS

"Having additional items like a flashlight and first aid kit will be useful for your car."

# Is Your Car Road Trip-Ready?

## PREPARE FOR THE UNEXPECTED

- Write down important contact numbers and always have cash for emergencies.
- Owners with Honda Insurance Package can access a 24-hour emergency assistance via the hotline at 1800-18-1177 or the HIP Mobile app (Apps Store / Play Store).

### WHAT OUR EXPERT SAYS

"Insured owners with HIP will not only receive free towing and roadside repair services but also get their car restored to Honda's standards at Honda BP Workshops."

## KEEP CHILDREN SAFE

- It is necessary to use baby seats if your children are younger than 7 years old. Older children should also use seat belts to keep them safe and prevent distractions.
- Do pack for play time but try to keep toys attached to the seat to prevent them from flying about.

### WHAT OUR EXPERT SAYS

"If you have young children, try to keep them well nourished so that they can travel comfortably and calmly."

## DO A SAFETY CHECK

- Check these before a trip to ensure all are functioning - lights, wiper blades, tyre air pressure and the fluid levels for radiator, wipers, engine, transmission and brakes.
- Regular service at a Honda authorised dealer will assure that your car runs optimally.

### WHAT OUR EXPERT SAYS

"You can refer to the owner's manual for simple troubleshooting but if there are symptoms like jerky acceleration, do get it checked by a Honda technician."

Here are 6 tips from our experts to ensure your Honda remains safe to drive at all times.

# DRIVING INTO A CONNECTED FUTURE

## Loaded With Technology

The development in Honda's Silicon Valley operation spawned Honda's application of the Apple CarPlay® and Android Auto™ in the 2016 Honda Accord, the most high-tech model in history. The facility continues to collect and analyse data to create new mobility value, with automated driving systems on its roadmap.

**Honda expands to the next frontier  
with Advance Connected Mobility.**

## Honda Xcelerator

Designed as a collaborative workspace, this program was initiated with the aim to engage innovators and pair the best minds with Honda mentors to spearhead technologies, develop and test prototypes.

Find out more on how to get funding to develop a prototype that enhances mobility: <http://xcelerator.hondasvl.com>

Today's automotive technology is transforming so rapidly that soon, you, and most likely your children, will be driving an intelligent car that is driverless and causes zero accidents and emissions. To get ahead with automated cars, Honda opened its new Silicon Valley R&D facility last year to open up opportunities for technology collaborations and accelerate breakthroughs that will transform the Honda driving experience.

## Future Mobility Dreams

Part of Honda's mission on open innovation includes releasing a remote API for the Honda UNI-CUB, a personality mobility device created from ASIMO's balance control technology. This will allow developers to control the UNI-CUB from external devices and expand its utility.

# Gifts for the Ultimate Honda Fan

The latest Honda merchandise collection is urban, trendy and rich with the brand's heritage. Whether it is a backpack or a junior tee, there is something here that every Honda fan would love.

## Lifestyle Collection

A stylish getaway will be complete with these.

Mini Travel Pouch  
RM40

Duffel Bag  
RM75

Water Bottle  
RM42

Backpack  
RM80

Tote Bag  
RM58

Shoe Bag  
RM33

Grey Passion & Dreams  
T-Shirt for Him & Her  
RM65

## Corporate Collection

Absolute essentials for the loyal Honda fan.

Passport Holder  
RM55

Honda Cap  
RM45
